In particular when participating in abseiling or above snowline activities I am aware that these activities expose me to additional hazards and risks. To minimize these risks I have endeavoured to ensure that ...

- (2) I am carrying food, water and equipment appropriate for the activity.
- (3) I have advised the activity leader if I am taking any medication or have any physical or other limitation that might affect my participation in the activity.

I will make every effort to remain with the rest of the party during the activity, advise the leader of any concerns I am having and accept all reasonable instructions of the leader of this activity. I have read and understand these requirements. I have considered the risks before choosing to sign this acknowledgement of risk. I still wish to join this activity.
